Translation, Notarization and Consulate Legalization

1. Level 3 certification of Consulate-General of the P.R.C. in Toronto:

All kinds of certificates issued by the Canadian government or other institutions, all kinds of power of attorney and declaration signed by individuals in Canada and other documents need to go through Level 3 certification to be recognized by the Chinese government. Level 3 certification includes lawyer notarization, provincial government certification and certification by Chinese embassy and consulate in Canada. HYW provides Level 3 certification one-package service, including marriage certificate, single status certificate, certificate of good conduct, death certificate, will, birth certificate, Maple Leaf Card, company business license, articles of association, hospital certificate and other documents; Power of attorney for property sales, litigation, loans, release of property, handling of property ownership certificate, management of bank accounts, application and remittance of foreign exchange quotas; Declaration on the identity, renunciation of inheritance, custodianship, settlement abroad. In addition, we also handle the notarization and certification in the embassies and consulates of various countries in Canada and the United States.

2. Notarization Agency and Consulate Certification Services in China:

Provide agency services for notarization of notary offices in major cities in China, certification of the Ministry of Foreign Affairs of China and certification of embassies and consulates in China.

3. Agency Service for Canada's Police Clearance Letter:

Help to apply for police clearance letter from the RCMP and police stations of various cities (both with and without fingerprints), which takes about ten days of time. At the same time, we apply for criminal record certificate in China for customers from all countries.

4. Translation of Professional Documents:

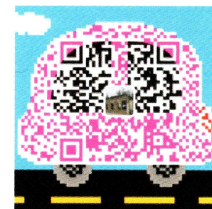

Including commercial, legal and technical documents in various professional fields. The professional fields include IT, finance, petrochemical industry, energy & electricity, construction & building materials, transportation, machinery & electronics, iron & steel metallurgy, biology & medicine, society & law.

5. Notarized Translation and ATIO Certified Translation:

Translation of driver's license, passport stamp, entry and exit record, ID card, birth certificate, graduation certificate, marriage certificate, criminal record check, tax payment certificate, income certificate, death certificate and medical documents.
